Baldwin and son, George, of Hollywood, Mrs. Howard Glover and daughter, Bessie Ann, and Mr. and Mrs. Robert Wilburn and two children, and Carl Ferguson.

Mrs. Mary Sullivan, of Lynchburg and Mrs. B. E. Couch, of Richmond spent the week-end with their parents, Mr. and Mrs. G. W. Glover.

Mrs. A. B Ferguson is in the Virginia Baptist Hospital.

Concord

Concord, Sept. 9.- Misses Louise and Arlene Dunn spent the week-end in Lynchburg.

Visitors in the home of Mr. and Mrs. T. D. Dunn recently were Miss Laura Bogard, Allen Taylor, Ned Taylor, Jane Ray, Mr. and Mrs. Eddie Gunter and family.

HARVEY - MOSES

Masses of white gladioli against a background of palms and ferns, and candles on tall, graduated candelabra formed a very attractive setting for the wedding in Liberty Baptist Church of Miss Peggy Lee Moses, daughter of Mrs. Don Moses and the late Mr. Moses, and Thomas Coleman Harvey, Jr., son of Mr. and Mrs. Thomas Coleman Harvey, Sr., all of Appomattox. The Rev. J. Marshall Walker, pastor of the church, officiated, using the double ring ceremony.

Given in marriage by her brother, Don Moses, Jr., of Baltimore, the bride was attired in a white satin gown, designed with square neck, tight bodice, long sleeves, ending in points over the hands, and a full skirt with a circular train. Her fingertip veil of illusion fell from a Mary-Queen-of-Scots cap of heirloom lace and net. She carried an old-fashioned bouquet of gypsophila, centered with white roses and gladioli.

Miss Beulah White, wearing yellow taffeta, made with bustle effect in the back, caught with a bow of black velvet, and completing her costume with black lace mitts, was the maid of honor. Her flowers were a nosegay arrangement of gypsophila and white gladioli with harmonizing blossoms in the throats of the gladioli.

The bridesmaids were Miss Jean Carter of Crewe, Miss Audrey Lee White of Lynchburg, Mrs. T. W. Greenwood, Jr. of Hampton, and Miss Patsy Booth of Appomattox. They wore dresses of orchid and aqua taffeta, fashioned like that of the maid of honor, and carried harmonizing flowers in the nosegay arrangement.

Organ music for the occasion was provided by Walter C. Dresser, cousin of the bride. In addition to the traditional wedding marches, other selections were "Believe Me If All Those Endearing Young Charms," and MacDowell's "To A Wild Rose."

Immediately preceding the ceremony Miss Nancy Stuart Scott, cousin of the bride, sang, "Because," and "Oh, Promise Me."

Gerald M. Harvey, of Richmond, brother of the groom, was best man. The other groomsmen were Russell Chernault and Elantha Drinkard II, of Appomattox; William S. Moses, of V. P. I., Blacksburg, brother of the bride, and Edward W. Morris, of Richmond.

Mrs. Moses wore a black dress with touches of blue and her flowers were white gladioli. Mrs. Harvey, mother of the groom, was in fuchia with white roses at the shoulder.

Following the ceremony, a reception was held at the home of the bride, attended by the bridal party, relatives, out-of-town guests and close friends.

Mr. and Mrs. Harvey will make their home in Appomattox.

GUILL - HARVEY

Mr. and Mrs. Bennie Wilson Harvey, of Evergreen, announce the marriage of their daughter, Vivian Ann, to Mr. Berkley Haywood Guill, son of Mr. and Mrs. Fletcher Taylor Guill, of Appomattox.

The ceremony was performed at Pamplin September 2, by the Rev. Mr. Simpson. Mr. and Mrs. Guill will make their home in Appomattox.

ENGAGEMENT ANNOUNCED

Mrs. Willie Walker Carter announces the engagement of her daughter, Ruth Virginia, to Mr. Lester Ray Johnston, of Lynchburg. The wedding will take place in the early fall.

THE THREE SCOURGES OF MAN

★ Devastating epidemics have ranked with war and famine as population levelers. Of these three scourges of man, pestilence was most dreaded. During the Black Plague epidemic of 1348, it was estimated that in some places over two-thirds of the population was wiped out.

The discovery of bacteria as the cause of infectious disease is still within the memory of the living. Pasteur developed the first vaccine for rabies in 1885. Since that time many immunizing procedures have become routine. As a consequence, deaths from infectious disease have been drastically reduced.

Everyone should be protected against smallpox and diphtheria as an absolute minimum. Do not wait for an epidemic to break out. Then it is often too late.

FATHER DARKLEAF

By The Editor

The chimes were installed this week at Liberty Baptist Church and we could hear their delightful tones and tunes all over town. Why not use the chimes instead of the church bells on Sunday mornings to call us to worship?

We understand the new town manager is being kept busy trying to learn the ropes before he assumed office. Last week-end was a busy one for town and its officers.

The town of Appomattox missed a good chance to pick up a few extra dimes yesterday. A section of the walk in front of the post office was torn up and replaced with nice and smooth concrete. Why didn't someone think of making a charge for the privilege of writing one's name in the concrete before it was dried?

The latest on men's fashions is for the narrow cuffs on trousers. It will be some wise guy will bring the derby hat and stiff collar back into vogue. Personally, we favor comfort and comfort in styles.

Anyone from here going to the world series? We heard two local men might attend the big baseball classic. We hear football tickets for the big games are scarce this year. Better have your tickets before you are out.

Urges Supplementary Pastures To Meet Shortage of Feed

BY R. B. HUDGINS

The feed situation is critical. There is an acute shortage of livestock feed. Many farmers tell me they are even drier than in 1930. The feed situation may be even worse next year due to a sharply curtailed corn crop. Record demand for livestock and livestock products is assured but where is the feed coming from?

Our farmers in this section have two escapes: first, use winter pasture to the fullest extent and, second, grow a record crop of oats, wheat and barley this season. Dairy cows, beef herds and hogs can graze a very large percentage of their feed in fall and winter if pastures are seeded during the next 30 to 40 days.

There are three steps to remember in getting the maximum grazing from winter pastures:

First, seed early and heavily,

Second, fertilize liberally,

Third, shift livestock when herbage gets short or soil soggy.

Many of you, especially the dairy farmer, will be very short of grain early next summer. I not only recommend, but urge you to sow barley or oats on tobacco acreage confining your wheat crop behind corn. I suggest this because our failure to grow barley or oats in this section is due largely to late seeding.

Here is a heavy grain mixture:
1 bushel wheat, 1 bushel barley, 1 bushel oats, 1 bushel abruzzi rye, 15 pounds domestic rye grass, 15 pounds crimson clover; use not less than 600 pounds of 3-12-6 or 4-12-4 fertilizer per acre. If you are unable to sow this mixture in Sept., seed as early as possible in Oct., omitting the crimson clover.

Chick output up last month.

Buyers show resistance to higher prices.

Mountains of Wheat in Colorado 'Dust Bowl'

A few years ago Baca County, Colo., was part of the "Dust Bowl." Now it is yielding such a bumper crop of wheat that the railroads can't haul it away fast enough, or the local elevators hold it. The golden grain is piled up in great ricks on the land near the tracks, in danger of weather damage.

Only Five Attend 81st G. A. R. Encampment

The 81st, and perhaps the last national encampment of the Grand Army of the Republic has come to a close. Less than a hundred Union veterans are still alive. Of these, only five were able to attend the encampment in Cleveland. All are a hundred years old or more. The national commander-in-chief, John H. Grate of Atwater, O. (seated), is 102.

770 Enrolled Here

Principal John E. Peters of the Appomattox High School stated today that unofficial enrollment at the local school thus far in the new session was as follows: in the high school, 320; in the elementary department, 450; total 770.

That's a lot of boys and girls, and from all reports, the session has gotten off to an excellent start.

School organizations are ready to begin programs for the year, and teachers and pupils are settling down to a daily rountine of study.

One oddity of this school session is that there is no high school junior class. The new five-year program for high school education is in process of fulfillment. Students in the eleventh grade are seniors and if all goes well should graduate in June, 1948. But the students of the tenth grade are Sophomores and will go on for a five-year course in the high school. What schools will use for graduates in 1949 is anybody's guess. However, the new five-year high school program is meeting with preliminary success, and pay-off with dividends of broader preparation for college and for jobs.

Appomattox Takes Skyline League Title

Appomattox's Lee Theatre baseball team walked off with the championship of the Skyline League by taking the final play-off series from the Big Island nine. The final game was played at the Lynchburg City Stadium Saturday night, and saw the local team go on a hitting rampage to win by a tremendous 19 to 3 score.

Appomattox won the regular season schedule. In the first play-off series, Appomattox took the measure of Buena Vista in three straight games. Big Island won over Glasgow in the other half of the first play-off, and was lined up for a final play-off with Appomattox. Big Island won the first game on its home grounds, 4 to 3. Then Appomattox took two straight played on the Lynchburg Stadium grounds at night. The next game was a thrilling extra-inning 1 to 1 tie game played here. So back to the Lynchburg Stadium Saturday night, and Appomattox settled the series once and for all, with a devastating 19 to 3 win.

Big Island never got in the ball game Saturday night. Gerald Torian got off to a rather shaky start but got stronger as the game progressed to gain credit for his 15th straight victory as a pitcher for Appomattox. Fifteen wins out of 15 games is an amazing hurling performance and labels Torian as the outstanding pitcher in the Skyline League.

Torian got sensational support at the hands of Appomattox hitters. Crawford Davidson, who is being hailed as a sure-fire professional prospect, socked the ball far and wide. He knocked a double to bring in needed runs early in the game and came back with men on bases to clout a hard-hit ball bouncing over the fence for a ground-rule home run. Then to show that his hitting was no fluke, he socked a tremendous home-run ball over the right-field fence later in the game. He scored three runs and knocked in six runs.

Vernell Mitchell connected for one of the hardest hit balls of the year at Lynchburg Stadium. He hit a booming home-run over the center field fence. He played a general heads-up game to qualify as one of Appomattox's star performers.

Manager J. C. Caldwell announced today that his team would meet an all-star team from the Patrick Henry League at the City Stadium tonight at 8:00 o'clock.

MR. L. M. KERN

Mr. Lewis Mason Kern died at his home near Gladstone September 13. He was born in Botetourt County on December 8, 1870, son of the late Nicholas Harrison and Sarah Jane Kern. His wife was the former Miss Helen Morris. He was a retired conductor of the C. & O. Railway Co., and a resident of Appomattox County for 18 years. He was a member of Central Methodist Church, Clifton Forge, and of the Brotherhood of Railroad Trainmen. In addition to his wife, he is survived by the following children: Albert L. Kern, of Appomattox; William M. Kern, of Baltimore; Marvin H. Kern, of Alexandria; J. Thomas Kern, of Appomattox, and Mrs. Royal Moore, of Appomattox.

Funeral services were held from the home of his daughter, Mrs. Royal Moore, Monday afternoon at 2 o'clock, conducted by his pastor, Rev. D. M. Spence. Active pallbearers were members of the Railroad Brotherhood, George and Charlie Mays, Elmer, Ernest and Linden Kern and Hence Moore. Interment was made in the Harris Cemetery in Appomattox County.
